Innovative Cleaning Solutions

Tanker /Truck Wash

Choose Lynx
for custom formulated,
environmentally friendly,
tanker/truck cleaners.

Lynx Enterprises, Inc. has extensive experience working with tank wash facilities in providing cleaning chemicals for every need.

Lynx Enterprises, Inc. has a full line of:

- » Strippers
- » Brighteners
- » Boosters (some of the best in the business)
- » Deodorizers
- » Solvent foggers
- » Powders and defoamers available

In addition, we also offer boiler and wastewater treatment chemicals. Call us today so we can review your current cleaning chemicals, consult you, and begin saving you money.

Lynx meets all your truck cleaning needs for automatic and manual truck, bus, and equipment washes.

- » Touchless
- » Foaming soap and equipment
- » Windshield cleaners
- » Wheel Cleaners
- » Brighteners
- » Tire shine and cleaners

What our clients say:

- » Tank Wash Manager, Lima Ohio - *"Lynx Booster products are the best we have seen and worked with in fifteen plus years..."*
- » Plant Manager, Cincinnati Ohio - *"Lynx has the products, equipment, and service that helps me run my wash tunnel. They are a great partner for our company's cleaning needs."*

The most efficient way to manage your cleaners and process chemical inventory is the Lynx Drum-Buster® program.

Eliminate costs associated with delivery and disposal of drums, along with the waste inherent in using drums. Using a single, refillable tank, the Drum-Buster® program maximizes both cleaning operation efficiency and safety for your employees.

Order exactly what you need. Lynx provides the free storage system to you, and your cleaning solution is pumped directly into a Drum-Buster® storage tank, using a metered delivery pump. You are billed for only what you use, which in turn, controls costs and maximizes operations. Eliminate the time spent changing barrels, hauling products and taking inventory. The Lynx Drum-Buster® program provides the safest way to handle these chemicals.

Your Drum-Buster® Tank is designed specifically for your needs. Your Lynx representative will help you design a total storage system tailored to your size, cleaning operations and environmental restrictions.

Along with specially designed formulations, the Lynx Drum-Buster® program is designed to work with our complete line of specialty equipment. Your Lynx representative can show you how the Total Lynx System will maximize efforts while controlling cleaning costs.
